The information in this book is a bit heavy, so you have to take your time and read each section carefully. It is a very elaborate and informative book but extremely accurate and very well written. My astrologer introduced me to numerology in the past couple of  
Easily the most comprehensive and detailed guide to practical and theoretical numerology on the market, Kevin Quinn Avery's *The Numbers of Life* stands alone as the definitive work in its field. Drawing on a long and storied career advising New York's celebrities, intelligentsia, and politicians, as well as years of professional study in the areas of astrumerology, astrology, and kabala, Avery has neatly compiled a lifetime of knowledge in this one useful volu
